

# Association of Desk and Derrick Clubs (ADDC)

The Association of Desk and Derrick Clubs (ADDC) is a non-profit international organization that is comprised of 50 clubs within 7 regions throughout the United States and Canada for those individuals employed in, retired, or affiliated with the petroleum, energy, and allied industries. The Regions each hold an annual meeting in the spring, and the Association holds its annual convention in the fall.

The Association of Desk and Derrick Clubs (ADDC) is the energy industry association that brings everyone together to build better careers, companies and communities.

Membership is open to those employed in, retired or affiliated with the petroleum, energy, and allied industries as well as individuals interested in increasing their knowledge about these industries, who can benefit from broad-based, cross functional training.

# Desk and Derrick Club of Oklahoma City

Greater Knowledge

Greater Service

Desk and Derrick Club's Motto:  
"Greater Knowledge –  
Greater Service"

## How Desk and Derrick Works

*At Desk and Derrick, members have several opportunities to get involved and become a leader:*

- *Monthly Meetings*

An evening meeting is held each fourth Tuesday of the month at River Oaks Golf Club in Edmond. Meetings begin at 5:30PM and feature interesting, informative and educational programs on various phases of the petroleum, socio-economic and allied industries.

- *Field Trips and Seminars*

A major contributor of energy education through informative programs, on-site field trips, workshops, and seminars.

- *Annual Events*

- ◇ OETA by answering phones and taking pledges.
- ◇ Sponsors the Mid-Continent Oilman's Golf Tournament Putting Contest, which raises funds for Desk and Derrick Club of OKC.
- ◇ Hosts golf tournament or other activities for fundraising.
- ◇ Mans a booth at the Oklahoma Oil & Gas Expo.
- ◇ Host an Industry Appreciation Night in the month of November to show appreciation to our companies.

## YOUR CAREER BENEFITS

In the fast-moving energy industry, knowledge and collaboration are critical to your success. Desk and Derrick offers local, regional, and international education and connections, including:

- Broad-based energy industry information for new and veteran employees.
- Cross functional training to build your base knowledge and improve your effectiveness in working with other functions.
- Energy industry peer connections that can provide insights and tips that make you more effective and efficient.

With Desk and Derrick, the potential is unlimited. Desk and Derrick teaches employees to become better leaders by:

- Connecting with others
- Engaging in the Club
- Getting involved
- Becoming a better communicator

## YOUR COMPANY BENEFITS

As demanding as the energy industry can be, few companies continually train their employees with cutting edge information. Your membership helps your company by making you more effective because:

- You understand what other functions need, including how everything in the energy production process comes together.
- You can access a broader network of resources and information.

## YOUR COMMUNITY

### BENEFITS

Without reliable information, it can be difficult for your community to understand the benefits of local energy production. Desk and Derrick can serve as a credible source of information to help your community understand.

The Desk and Derrick Club of Oklahoma City was chartered in 1951 and is within the Association's Region VI. Each Club is comprised of: Board of Directors, which includes President, Vice-President, Secretary, Treasurer, Immediate Past President, and five directors. Eight standing committees and several special committees conduct the work of the Club.
